OFFICE OF LEGISLATIVE COUNSEL

Friday - 5 April 1963

25X1

[redacted] Bill Colby of FE and John S. Warner met with Carl Marcy, Staff Director of Senate Foreign Relations Committee, and Walter Pincus, Staff Investigator. See Memorandum for the Record.

25X1

[redacted] Talked with Jay Sourwine, Senate Internal Security Subcommittee, on the [redacted] matter indicating this man was not a Communist. I further indicated that it would be generally appreciated if there would be no publicity on this visit to the Hill. Sourwine said that none was contemplated. Also discussed the question of an Agency individual acting as interpreter. Sourwine had no objection to this and in fact did not even want to know the name of our man. I had explained earlier the possibilities of embarrassment for this individual in view of the delicate relations with the Soviets. Sourwine stated he would take great care not to cause any difficulties. All the above arrangements had been discussed with [redacted] who had talked with Mr. Karamessines.

25X1

[redacted] Stuart French, Senate Preparedness Investigating Subcommittee staff, advised that Senator Saltonstall had asked him to determine the source of funds for the Cuban brigade and the E-26s which were utilized at the Bay of Pigs. I indicated to French I could not comment on this but would look into the matter and respond directly to Senator Saltonstall.

25X1

[redacted] Dropped by the office of Representative F. Bradford Morse to talk with the Congressman about his letter of 1 April to the Director asking for information on the Agency's activities with respect to surveillance of international travel in and out of Cuba. I saw the Congressman very briefly and he asked if we could get together later in the week. I will be in touch with his office to make arrangements.
